

MatLab Expo 2022

Explore what's new in MATLAB and Simulink

May 17–18, 2022 | Online

[Register](#)

Register to attend MATLAB EXPO 2022 and get inspired! Discover how MathWorks engineers, customers, and partners are using new capabilities in MATLAB and Simulink to drive progress in areas like AI, autonomous systems, electrification, 5G, and engineering education. The virtual event offers talks on a broad range of technical topics 4 times per day, so you can choose the sessions that work best for you.
